11 v.

12 TODD BURTON SARVER,

**ORDER DENYING UNOPPOSED
MOTION FOR CUSTODIAL
MEDICAL TREATMENT
(Docket No. 36)**

15 On March 30, 2006, Defendant filed a motion for custodial medical treatment, in which
16 he sought an order from this Court requiring FDC Dublin to provide Defendant with a
17 medication regimen that included antipsychotic, antidepressant and antianxiety medications.
18 The Government did not oppose this request. In response to the motion, the Court initiated
19 inquiries with FDC Dublin regarding the allegations set forth in Defendant's motion. On April
20 7, 2006, the Court received a response to its inquiry and is satisfied that the issues raised in
21 Defendant's motion are now resolved. Accordingly, Defendant's motion is DENIED.

22 The Court shall provide Defendant with a copy of the response. Defendant shall not be
23 required at this time to provide a copy to the Government. However, the Court may revisit this
24 position if warranted by future developments in this case.

25 **IT IS SO ORDERED.**
